David,

There was not much activity over the holidays. I included some information below.
Will have more this afternoon. What timeframe were you needing this for?

Bayou Corne Activities - 25 November 2012

- No IAP or State Agency meetings were conducted today. The next formal IAP meeting is scheduled for 3:00 PM Monday (11/26). The next State Agency meeting will be at 10:00 AM Tuesday morning (11/27).
- Gas flaring at Texas Brine's Well #1 remains halted; the well is shut in and not venting; may resume on Monday
- DNR/Shaw continues to flare gas at ORW #2 at a rate of 35 mcf/day.
- No other wells are flowing, venting or flaring today.
- No work on the sinkhole was conducted today.
- Two community air monitoring runs and one boat run were conducted by DEQ personnel. No significant LEL, VOC, or H2S levels were detected.
- No in-home monitoring was performed today, and none is scheduled until Tuesday, November 27th.

Karen,

Could we get another update for Greg Fife? The EPA has some senior personnel coming down to NOLA and would like to get up to speed.

Thanks
David
